"Making The Difference"

Effective Leadership Development Training

A program of the National Organization of
Parents Of Murdered Children, Inc.

July 30, 31 and August 1, 2017

"Making The Difference"

Since its' inception in 1978, Parents Of Murdered Children, Inc. (POMC) has grown beyond expectations. Our mission of making the difference through support, education, prevention, advocacy and awareness has become an unending challenge for all of us, at all levels, who work for POMC's cause. Effective leadership is essential to achieve our mission; opportunities for personal development, education, information-sharing, networking and other programs will serve to increase our expertise.

National POMC is offering this comprehensive, certification training course for all Board Members, Staff, Chapter Leaders and Contact Persons, as well as current and prospective State Coordinators. The policy of Parents Of Murdered Children, Inc. set by the National Board of Trustees states: "One third of members of the Chapter's Board of Directors, not to be less than two (2), must attend the Effective Leadership Training Course and be certified by the National Board of Trustees."

Chapters not in compliance with POMC programs and policies will no longer be able to operate under POMC. Any previous training will not qualify to meet this requirement.
