Murder Is Not Entertainment (MINE)™ Program

In November 1993, the National Organization of Parents Of Murdered Children, Inc. (POMC)®, launched the Murder Is Not Entertainment (MINE)™ Program. MINE wants to eliminate the playing and marketing of violence and murder as forms of entertainment for both children and adults. The program strives to instill the same empathy and respect for victims of murder that society affords victims of other tragedies. Through education, crime prevention, and promoting an overall change of attitude, the MINE Program drives home the message - Murder Is Not Entertainment.

If you are interested in supporting the MINE Program please fill out the form below. If you would like to make a donation to support this program, please make checks or Money Order payable to **POMC**, or for your convenience, Visa, MasterCard, Discover and American Express are accepted.
